To function properly, members must exhibit respect for the individual and collective rights of all those within the community.

Students who violate these principles or the rights of others are subject to disciplinary action in accordance with the Disciplinary Process. The College reserves the right to discipline any student it deems necessary to protect the safety and/or the integrity of the learning environment of the College.

### **Consideration For Others**

Granville College aims to provide the best possible learning environment for our students. We ask for cooperation in this endeavour. Please be considerate of fellow students to maintain a quiet learning environment and do not disturb other students. Please be especially considerate of students writing exams. Keep conversations to the social areas designated by the college.

### **Professional Communication**

Granville College students are expected to demonstrate professionalism in all forms of communication, including written, verbal, and digital correspondence.

In addition to academic writing and classroom dialogue, students are expected to use professional tone and discretion in digital formats such as email, messaging apps, and social media. Content shared online—even from personal accounts—may impact one's standing in the college or professional community.

### **Breaks And Break Area**

Our campus has a Break Area. This designated area is there for students to utilize and enjoy. The Break Area provides an opportunity to enjoy refreshments, review notes and take a break from the workstation. If equipment is damaged due to a spill, the student to whom the beverage belongs will be held responsible for replacement and/or repair. NO food of any kind is allowed at workstations.

Please remember to take short breaks to maintain consistency in the learning process and prepare for the work environment. Please speak quietly so that other students will not be disturbed. Please keep the Break Area neat and tidy and throw out all personal refuse.

During the winter months, it is very difficult to avoid coughs, colds and flu. If you are unable to attend your program, please contact the college early in the morning. Sponsored students should also contact their funding agency

We ask that all students and staff refrain from using perfume, cologne, scented hair products, scented deodorant, and heavily scented laundry detergent or fabric softener. Students asked to leave the campus will be required to log out of the attendance recorder and log back in upon return to the campus.

The College reserves the right to request any student wearing inappropriate attire to leave the premises. The student may return once they are properly attired. The determination of 'inappropriate attire' is at the sole discretion of the College. Students will be required to log out of the attendance recorder for this infraction and log back in upon return to the campus.

Visits are only confirmed upon receipt of a confirmation email. All guests must check in at the front desk upon arrival and wear a visitor badge while on campus. Guests should not remain unattended or stay for extended periods unless part of an approved event or scheduled meeting.

### **Washroom Facilities**

The College will have on-site washroom facilities or access to a common washroom area in a general place of business (e.g. an office tower or mall). Please keep the washroom area tidy. Don't forget any personal belongings when leaving the washroom area.

### **Respectful And Fair Treatment**

The College recognizes its students as responsible and dedicated individuals who are preparing for career employment. An integral part of their career and professional development is the expectation that they conduct themselves during the education process in the same manner as will be expected in all employment situations. As members of the College, students have responsibilities and duties commensurate with their rights and privileges. Any student who is found to have violated the Student Conduct Policy is subject to disciplinary sanctions up to and including suspension or permanent dismissal, as described in the Disciplinary Process. ## ATTENDANCE POLICY

---

Granville College expects students to attend classes regularly and to be punctual throughout their program of study. This includes participation in all scheduled lectures, labs, classroom activities, quizzes, tests, and examinations. Weekly academic support sessions with assigned instructors are also strongly recommended to enhance learning outcomes.

### Minimum Attendance Requirements

Students must meet the minimum weekly attendance requirements set by the Ministry and StudentAid BC and outlined in their enrolment documents. Regardless of funding source, all students are required to attend at least 20 hours per week to remain in compliance with the Provincial Act.

A student will be withdrawn from the College if they:

- The student does not attend any instructional hours **for two consecutive calendar weeks** (Sunday to Saturday);
- The student attends less than **12 hours per week (60% of 20 hours)** for **three consecutive calendar weeks** (Sunday to Saturday); and/or
- The student is absent for sufficient hours/days that the post-secondary institution determines that the student cannot successfully complete the program.

Where applicable, the College will notify the student's funding provider of the withdrawal, which may result in termination of financial assistance.

### Attendance Monitoring and Intervention

- Attendance is reviewed regularly by Student Services and Academic Administration.
- Students who demonstrate patterns of absenteeism may be contacted and required to meet with Student Services.
- Students may be placed on an Academic Improvement Plan, probation, or other intervention measures if attendance concerns arise.
- Attendance records form part of the student's official educational record and may be used to determine academic standing, funding eligibility, and regulatory reporting requirements.
- Students receiving StudentAid BC funding must maintain attendance, participation, course load, and satisfactory scholastic standing.

**For students enrolled in online or combined delivery formats, attendance may be demonstrated through a combination of:**

- Participation in scheduled learning activities;
- Submission of assignments and assessments;
- Engagement within the Learning Management System (LMS);
- Communication with instructors;
- Completion of required coursework and learning milestones.
- Attendance and participation are assessed using multiple measures and are not determined solely by login activity.

The College maintains a Last Date of Attendance (LDA) for all students. The LDA is the final date on which a student attended class, participated in required learning activities, submitted coursework, completed an assessment, or otherwise demonstrated active participation in their program. The LDA may be used for refund calculations, academic records, StudentAid BC reporting, and regulatory compliance purposes.

Students enrolled in online, combined, or distance delivery programs must also comply with the Active Participation and Academic Standing Policy, which establishes participation monitoring, LMS engagement requirements, academic progress expectations, and StudentAid BC compliance requirements.

### Attendance Recording and Reporting

Instructors will record attendance at the start of each class using the Attendance Sheet provided by the College, and this information will be reported daily to the Campus Director and/or Campus Designate. Students with third-party funding may have additional attendance requirements.

### Student Responsibility for Absences

Students are expected to notify their instructor or College administrative staff in advance—or as soon as possible—if they will be absent or late. All missed time **must be made up**, and students are responsible for completing any assignments, tests, labs, or exams given during their absence.

Absences of three or more consecutive days require documentation:

- **Illness:** A doctor's note confirming the illness.
- **Compassionate reasons:** Supporting evidence, such as a funeral service order.

Excused absences may include illness, serious illness of a close family member, death of an immediate family member, accident, acute or preventative medical appointments, court appearances, funerals, or other unforeseen circumstances making attendance impossible. Written proof is required for all excused absences. All absences, whether excused or unexcused, are recorded. Some externally regulated programs may have their own attendance standards in addition to this policy.

### Attendance Warnings

The College uses the following staged warning process before withdrawal:

1. **First Warning – Early Intervention:** Issued within three consecutive days of falling below the required weekly attendance, after one week of consecutive absences, or upon reaching **10% total absences** in the program.
2. **Second Warning – Urgent Notice:** Sent after 1.5 weeks of consecutive absences, two consecutive weeks below 60% course load, or upon reaching **15% total absences**.
3. **Final Warning / Pending Withdrawal:** Delivered at the end of the second consecutive week of absence, at the end of the third consecutive week below 60% course load, or upon reaching **20% total absences**.
4. **Withdrawal Notice:** Issued immediately once withdrawal criteria are met under external or internal policy.

The College may place a student on probation if there is a pattern of poor attendance, particularly when combined with poor academic performance or failure to maintain course completion dates.

### Work Experience / Clinical Placement Attendance

Attendance at all scheduled work experience or clinical placement hours is mandatory. Students cannot miss placement time without prior approval and valid justification.

### Third-Party Funding Requirements

Some students may be subject to additional attendance rules imposed by their funding provider or a regulatory body. Poor attendance may affect eligibility for financial assistance, certification, or licensing. In some cases, the College may be required to provide progress or attendance reports to a funding provider, which will be placed in the student's Administrative File. Students who do not meet attendance requirements may lose eligibility for continued financial assistance.

## CREDIT FOR PRIOR LEARNING (CPL) TRANSFER POLICY

---

This policy outlines the criteria and procedures under which students may receive academic credit for previously completed formal education at recognized institutions. It is intended to support a transparent and consistent process aligned with post-secondary academic standards.

This policy applies to students seeking credit for formal, transcript-supported learning completed at Granville College or other recognized post-secondary institutions. It applies to individuals who previously withdrew from a program—whether at Granville College or another recognized institution—provided that the relevant courses were successfully completed, as well as to graduates who wish to apply previously completed coursework toward the requirements of a different program. Granville College does not recognize or grant credit for experiential or non-formal learning.

Students may be granted **Credit for Prior Learning (CPL)** where it is demonstrated that the previously completed course is equivalent in content and level to a Granville College course. Only formal, accredited coursework is considered. All credit must be documented by official transcripts and supported by course outlines or institutional catalogues.

### Policy Provisions

- Applications for CPL must be submitted at the time of initial enrolment in a Granville College program.
- Approved credits will be noted on the student's Granville College transcript, and the program duration and tuition will be adjusted accordingly.
- Applicants must provide an official transcript verifying successful completion of the relevant course(s), along with a catalogue description or course outline that demonstrates equivalency in content to a Granville College course.
- Only full subject credits are granted. Partial course credit is not awarded under any circumstances. Additionally, credits cannot be granted for practicum placements, internships, or work experience components, even if they were part of a previously completed program. All credit transfers must correspond to full academic courses that meet the content, instructional hours, and assessment requirements outlined in this policy.
- The assessment criteria require that each course considered for credit must have been completed with a minimum **final grade of 75%** and must closely align with the corresponding Granville College course in both content and learning outcomes.
- A maximum of **three (3) courses** may be transferred toward completion of a Granville College program, unless otherwise approved by the Campus Director or Designate.
- Credit transfer may not exceed **50% of the total program hours**, unless the program leads to a regulated occupation, and the applicable regulatory authority permits a higher percentage of credit recognition.
- Courses must have been completed within the **past two (2) years** to be considered for credit.

### Exceptions and Appeals

- In exceptional circumstances, the Campus Director or Designate may approve credit outside of standard provisions. Where applicable, students may be required to complete a challenge exam to demonstrate that their prior coursework meets the learning outcomes of the corresponding Granville College course.
- Students may appeal denied applications or decisions regarding credit through the regular Granville College dispute resolution process.

### Responsibility, Review, and Distribution

The Campus Director or Designate is responsible for the implementation and ongoing administration of this policy. The policy shall be reviewed periodically and revised as necessary to ensure alignment with academic standards, regulatory requirements, and institutional needs. It must be communicated clearly to all prospective and current students at the time of admission and made publicly available through appropriate institutional materials.

## ACTIVE PARTICIPATION AND ACADEMIC STANDING POLICY

---

Granville College requires all students to adhere to institutional policies regarding active participation and academic standing. Failure to meet these standards may affect eligibility for funding from external agencies and could result in disciplinary action or dismissal.

### Satisfactory Academic Standing

- Students must complete all approved program requirements within the designated study period and follow the Program Plan.
- Attendance at all scheduled classes, completion of all assignments and assessments, and ongoing academic progress are required.
- At least 60% of a full-time course load must be completed each study period to maintain StudentAid BC eligibility.
- Students who fail courses may need to repeat them, subject to program or regulatory restrictions.
- Missed or failed requirements due to absence are documented and could lead to disciplinary action or expulsion.

### Active Participation Requirement

- Ongoing, full-time attendance and engagement in all components, including lectures, labs, practicums, and online activities, are mandatory.
- Students must:
  - Attend at least 80% of scheduled instructional hours for each course or module.
  - Not be absent for two consecutive calendar weeks (Sunday to Saturday).
  - Attend at least 12 hours per week (60% of a 20-hour week) over any three consecutive weeks.
  - Complete all mandatory work experience placements and maintain ongoing progress.
  - Report absences to Student Services and instructors in advance or within 24 hours, with supporting documentation (e.g., doctor's note).

### Monitoring and Verification

- Attendance and participation are monitored and recorded throughout a student's program.
- For in-class and synchronous delivery courses, attendance is recorded based on participation during scheduled instructional hours.
- For distance education and asynchronous delivery courses, participation is measured through meaningful engagement and academic progress within the Learning Management System (LMS) rather than physical presence.
- Participation in distance education courses may include:
  - Accessing course materials, learning modules, and instructional resources;
  - Submission of assignments, quizzes, examinations, and other assessments;
  - Participation in discussion forums, learning activities, and collaborative exercises;
  - Attendance at required synchronous online sessions, where applicable;
  - Communication with instructors regarding coursework and academic progress;
  - Demonstrated progression through course requirements and learning activities.
- Online and combined delivery participation is tracked through the LMS and may include review of:
  - Login activity;
  - Course and module access records;
  - Assignment and assessment submissions;
  - Quiz participation and completion;
  - Discussion forum activity;
  - Course progress reports;
  - Gradebook and academic progress records;
  - Other LMS-generated participation and engagement data.

- No single LMS metric is used independently to determine participation status. Participation is assessed based on a combination of student engagement, completed coursework, academic progress, instructor interaction, and LMS activity records.
- Instructors are responsible for monitoring student participation and academic progress, identifying students who may be at risk of disengagement, documenting outreach efforts, and referring concerns to Student Services as appropriate.
- Students demonstrating prolonged inactivity, failure to engage in required learning activities, failure to submit assessments, or insufficient academic progress may be contacted by the College and subject to academic intervention, probation, withdrawal, or dismissal in accordance with institutional policies.
- Online and combined delivery records maintained within the LMS, including participation reports, assignment submissions, assessments, communications, and progress records, form part of the student's official educational record and may be used to verify attendance, participation, academic progress, funding eligibility, and Last Day of Attendance (LDA).
- Records must be valid and free of irregularities. Unauthorized logins, access from unapproved devices or locations, identity concerns, or evidence of third-party participation may trigger a compliance review.
- Students may be required to verify identity during assessments through photo identification, real-time verification, proctoring, or other approved methods. Refusal to comply may be treated as non-participation or non-compliance.
- Discrepancies or irregular patterns may result in progressive discipline, including warnings, suspension of access, administrative review, or dismissal.

#### **StudentAid BC Requirements**

- Students must maintain full-time enrolment and satisfactory progress for StudentAid BC funding.
- The College must notify StudentAid BC of withdrawal, dismissal, failure to maintain attendance, or early/unapproved completion.
- These actions may result in funding cancellation, conversion of grants to loans, or loss of interest-free status.
- Refunds, where applicable, use the last day of attendance (LDA), following Private Training Regulation and the College's Tuition Refund Policy.

#### **Consequences of Non-Compliance**

- The College may:
  1. Issue a written warning.
  2. Place the student on probation with specific conditions.
  3. Dismiss the student in accordance with the Dismissal Policy.
  4. Report status to StudentAid BC and PTIRU as required.

#### **Student Responsibilities**

- Inform the College of any changes to academic/personal circumstances affecting participation.
- Notify StudentAid BC about marital status, income, employment, program status changes, and contact information.
- Remain responsible for responding to StudentAid BC instructions and repaying all funding received.

#### **Date of Withdrawal (Last Day of Attendance, LDA)**

- The LDA marks when a student ceases to be recognized as such by the College.
- A student is withdrawn if:
  - Absent for 14 consecutive calendar days (10 study days).
  - Failing to meet participation or academic standards.
  - Submits written notice of withdrawal or is dismissed for non-compliance.
- The dismissal date is the last day of full-time attendance.

## ACADEMIC INTEGRITY AND MISCONDUCT POLICY

---

### Commitment to Academic Integrity

Granville College is committed to the highest standards of academic honesty. Students are expected to complete all academic work with integrity, ensuring that assignments, projects, examinations, and other submissions are entirely their own unless collaboration is expressly permitted.

Academic misconduct undermines the learning process and the credibility of our programs. Any student found to have engaged in such misconduct is subject to disciplinary action under the College's Disciplinary Process.

Submission of altered, falsified, purchased, contract-completed, or AI-generated work contrary to course requirements may constitute academic misconduct and may result in disciplinary action up to and including dismissal.

### Roles and Responsibilities

- Instructors must inform students of academic integrity expectations on the first day of classes and provide guidance on proper citation, referencing, and use of sources.
- Students are responsible for understanding and following academic integrity requirements. If unclear, students must seek clarification from their instructor or Faculty Advisor before submitting work.

### Academic Misconduct – Definitions

#### Cheating

Cheating is any act intended to gain an unfair academic advantage. Examples include, but are not limited to:

When group projects are assigned, all students must participate equally, and contributions should be documented. All group members share responsibility for the integrity of the submitted work.

## Reporting and Investigation

### Initial Action

If an instructor suspects academic misconduct, including plagiarism:

1. The instructor will take all reasonable steps to prevent academic misconduct in their courses and, if observing suspicious behaviour (e.g., copying, collusion) during an examination, will immediately warn the student(s).
2. The instructor will meet privately with the student to explain the concern and confirm it in **writing within 30 days** of discovery, maintaining complete confidentiality and ensuring no other students are made aware of the incident.
3. The instructor will advise the student not to submit any further work until the matter has been reviewed.
4. The instructor will clearly identify in writing which part(s) of the student's work are being reviewed, attaching or referring to relevant materials as evidence.
5. The Director will be notified immediately.

### Investigation Outcome

- **If the allegation cannot be substantiated:**
  - The work will be returned with a Pass or Fail grade as appropriate, and the student may continue in the course.
- **If misconduct is confirmed:**
  - First offence:  
The student will be notified in writing, with supporting evidence. The student will have one week to rewrite the assignment independently. At the instructor's discretion, this may be for partial credit, or the student may receive a grade of zero for the original work.
  - Serious first offence or second offence:  
The student will receive a failing grade for the course and may be dismissed from further study at Granville College, pending a review of the facts.

Depending on severity, one or more of the following may be applied:

- Written warning.
- Grade of zero for the specific work.
- Failing grade for the course.
- Academic probation.
- Suspension.
- Expulsion.

These sanctions are in addition to, and applied in the same manner as, the sanctions outlined in the **Student Code of Conduct**. All disciplinary actions are documented in the student's confidential file.

### Instructor Responsibilities in Misconduct Cases

An instructor who knowingly ignores cheating or plagiarism will be referred to the Director for review and may be subject to disciplinary action.

## **ARTIFICIAL INTELLIGENCE (AI) USE POLICY**

## DISPUTE RESOLUTION POLICY

---

Granville College is committed to providing an environment where students can raise concerns and have them resolved in a respectful, transparent, and timely manner. This policy applies to all current Granville College students and students who were enrolled up to 30 days prior to the submission of a written concern.

All student complaints must be submitted in writing and may be delivered by email, in person, or by registered mail. Students may be accompanied by a support person or be represented by an agent or lawyer at any stage of the process. Anonymous complaints will be taken seriously and reviewed to identify potential systemic or repeated issues. Granville College will investigate such matters to the extent possible based on the information provided. However, only complaints submitted by a named individual will be formally reviewed and processed under this policy. Students will not face any retaliation for submitting a complaint. There are no fees for students to access this dispute resolution process.

### Informal Resolution

Students are encouraged to resolve concerns informally before initiating a formal complaint. The student should first raise the issue with the individual most closely involved, such as an instructor or staff member. If the issue remains unresolved, the student should escalate the matter to the relevant program administrator or supervisor for further review.

### Formal Complaint Process

If the concern cannot be resolved informally, the student may initiate the formal complaint process by submitting a written complaint to the following individual:

#### Campus Director

Chintan Purohit

Email: [Chintan.Purohit@granvillecollege.ca](mailto:Chintan.Purohit@granvillecollege.ca)

The written complaint must include:

- A clear description of the concern
- Date(s) of occurrence
- Names of relevant parties
- Any supporting documentation
- The resolution sought

Within **five (5) business days** of receiving the written complaint, the Campus Director or Designate will acknowledge receipt and arrange a meeting with the student to discuss the matter. Following this meeting, the Director of Academic Programs or Designate will carry out any necessary inquiries, which may include consulting with relevant staff or other individuals involved, in order to assess the concern thoroughly. A formal written response will be provided within **fifteen (15) business days** of the initial complaint submission. If the complaint is not substantiated, the response will include a clear explanation. If it is substantiated in whole or in part, the institution will outline a proposed resolution. A copy of the complaint, the institutional response, and any supporting documentation will be retained in the student's file for a minimum of three (3) years.

### Appeal

If the student is not satisfied with the resolution provided, they may submit a written appeal **within five (5) business days** of receiving the decision. The appeal should be directed to the Senior Educational Administrator (SEA) and must clearly explain the reason for the disagreement, along with any supporting documentation the student wishes to provide. Upon receipt, the Senior Educational Administrator or Designate will review the appeal and issue a final written decision within **five (5) business days**. A copy of the final decision will be placed in the student's file and, if applicable, in the institutional Student Conduct File. The college will make every effort to ensure that the full process, including any appeal, is completed within thirty **(30) calendar days** of receiving the written complaint.

### External Complaint Process

If the student remains dissatisfied and believes they were misled about a significant aspect of the program or institutional operations, they may contact: **Private Training Institutions Regulatory Unit (PTIRU)** [www.privatetraininginstitutions.gov.bc.ca](http://www.privatetraininginstitutions.gov.bc.ca).

**Important:** Complaints must be filed **within one year** of the date the student completes, withdraws from, or is dismissed from the program. Students may be represented by an agent or lawyer when filing a complaint with PTIRU.

## **GRADE APPEAL POLICY**

If a student is not satisfied with a grade assessed on an assignment or test, the student must provide a written statement of their concerns to the instructor who assessed the grade within 5 days of the grade assessment. The statement should set out the reasons for disputing the grade and include copies of any relevant evidence the student wishes to submit and have considered. Please note, grades will not be adjusted for compassionate reasons or unexcused absences.
2. The instructor will reconsider or remark the assignment/test based on the criteria of the assignment/test and will provide the student with a written determination, setting out the reasons which led to both the original grade and any re-marked grade, if applicable. Instructors are to provide students with their determination within 3 business days of receipt of the student's grade appeal statement.
3. If the student is still not satisfied with the instructor's determination, the student should submit a formal written grade appeal, together with all relevant supporting documents to the Campus Administrator and/or Campus Director within 3 business days.
4. Upon receipt of the written grade appeal, the Campus Administrator and/or Campus Director will meet with the student to review the original assignment/test and all relevant supporting documentation (including the written determination of the instructor). The Campus Administrator and/or Campus Director may also meet with the instructor to conduct a re-marking of the assignment/test.
5. The decision of the Campus Administrator and/or Campus Director will be provided to the student in writing within 3 business days of receipt of the written complaint by the Campus Administrator and/or Campus Director. All decisions of the Campus Administrator and/or Campus Director with respect to the grade appeal will be considered final.

### **REINSTATEMENT POLICY**

---

Reinstatement at Granville College is not guaranteed and is subject to the sole discretion of the Campus Director or Designate. Requests for reinstatement will be evaluated based on the student's previous academic and conduct record, as well as the time elapsed since their last date of attendance.

#### **Eligibility Requirements**

- Reinstatement must occur within one (1) year of the student's official withdrawal or dismissal date.
- If the student is re-entering the same program and their previously completed academic components remain substantially aligned with the current curriculum, they may receive credit for those components without submitting a separate CPL application or following the standard CPL Policy. A CPL application, in accordance with the College's CPL Policy, is only required if the student seeks credit for coursework completed at another institution or if the coursework is no longer eligible for automatic reinstatement credit.
- The student must meet all current institutional admission requirements, including academic prerequisites, language proficiency (if applicable), and program-specific criteria.
- All required supporting documentation must be resubmitted in accordance with the most recent version of the program outline.
- The student must agree to and sign any terms of reinstatement outlined by the Campus Director or Designate.
- The student must comply with all current policies and procedures of Granville College.
- Reinstatement is permitted only once. Students who have already been reinstated and subsequently withdrawn or dismissed again are not eligible to reapply for reinstatement. They must apply as new applicants and may request CPL credit for previously completed coursework, provided it remains eligible under the CPL Policy and was completed within two (2) years of the new enrolment date.
- Exceptions to the above requirements may be granted at the discretion of the Campus Director or Designate in exceptional circumstances.

- Students may appeal a denied reinstatement decision through Granville College’s standard dispute resolution process.

### **Reinstatement for Externally Regulated Programs**

For programs delivered under external curriculum, reinstatement decisions must follow applicable policies. These policies may differ from standard Granville College provisions and are available to students upon request.

### **Upon Approval of Reinstatement**

- Previously completed coursework at Granville College will be recognized without requiring a CPL application, provided it remains current and substantially unchanged.
- Internal college academic records, such as an unofficial transcript or progress report, are sufficient proof of course completion if they include the course completion date and the grade received. These records must be issued or verified by an authorized Granville College staff member. An official transcript is required only when the student is applying for CPL.
- Where a CPL application is not required for reinstatement, the CPL calculator must still be used internally to ensure accurate credit allocation and to support the Student Support Department during the reinstatement process.
- If tuition fees were previously paid in full, no additional fees will be charged for reinstatement, provided the student returns within one (1) year of their official withdrawal or dismissal date. Any tuition already paid will be applied toward the remaining program balance, if applicable.
- The student must sign a new Student Enrolment Contract reflecting the updated program structure and completion date.
- The student may be asked to demonstrate currency of knowledge and satisfy any updated admission or program requirements.
- Granville College does not guarantee the immediate availability of all course components. Where immediate enrolment in a required module is not possible, every reasonable effort will be made to support the student’s progress, including alternate delivery methods where available.

### **Policy Oversight**

This policy is administered by the Campus Director or Designate and shall be reviewed periodically to ensure consistency with Granville College academic policies, CPL regulations, and operational requirements. The policy shall be made available to all prospective and returning students and included in the relevant student materials.

### NEWCOMER COMMUNITY SUPPORTS

#### HEALTH AND SAFETY

Granville College actively maintains a safe campus environment. All students, faculty, and staff share responsibility for safety and are required to follow established procedures and report hazards or incidents to the appropriate campus representative.

#### STUDYING IN BRITISH COLUMBIA

Study Permit:

International students are required to apply for a study permit through Immigration, Refugees and Citizenship Canada (IRCC). Visit: <http://www.cic.gc.ca/english/study/index.asp>

## Work Permit:

International students may be eligible for part-time work during studies; post-graduation work permit (PGWP) eligibility in BC varies by institution and program. Private colleges are not generally eligible for PGWP unless specifically designated. For current work permit information, visit: <http://www.cic.gc.ca/english/study/work.asp>.

## Health Care Insurance (MSP):

- All international students in BC with study permits valid for six months or longer must apply for BC's Medical Services Plan (MSP) upon arrival.
- There is a waiting period (balance of the arrival month plus two months) before MSP coverage starts; private insurance is required in the interim.
- MSP is mandatory unless formally opted out with valid reasons. For more info: <https://www2.gov.bc.ca/gov/content/health/accessing-health-care/health-fee-international-students>
- Institutions may also offer extended health and dental insurance via student unions or third-party providers (e.g., Guard.me, StudentCare).

## HOUSING

International students are responsible for securing accommodations. Institutional housing may be limited; many use off-campus resources such as:

- Places4students.com - <https://www.places4students.com/>
- Canada Homestay Network - <https://canadahomestaynetwork.ca/>
- RentSeeker.ca: <https://www.rentseeker.ca/>
- University Living - <https://www.universityliving.com/>

## GETTING AROUND

Metro Vancouver's transportation network, serving residents and visitors with public transit, major roads, bridges and Trip Planning.

It is one of the easiest and convenient ways to travel and includes:

- Skytrain
- Canadairline
- Bus
- Seabus

You can find out about the options that are best for you here: <https://www.translink.ca/>

## Compass Cards

Compass Cards are convenient, reloadable fare cards that can be used when taking transit within Metro Vancouver. Compass Cards can be loaded with Stored Value, or with prepaid passes (such as Monthly and DayPasses).

## How Compass Card Works

- Tap your card on the reader when entering buses, HandyDART, and at the gates when entering and exiting SkyTrain stations or SeaBus terminals.
- The fare is automatically deducted from the stored value on your card.
- Monthly Pass and DayPass riders tap in to validate their prepaid journey.
- You cannot pay for two fares on the same journey with one card — each rider needs their own form of payment. You can use the Stored Value on your Compass Card to purchase a Compass Ticket for another rider at a Compass Vending Machine (CVM).

- The investigator will:
  - Interview the complainant to document the full allegation.
  - Inform and interview the respondent, providing a full opportunity to respond.
  - Interview witnesses and review relevant evidence.
- Both parties will receive reasonable updates during the process.
- At conclusion, the decision-maker (Campus Designate or Designate) will review all evidence, determine whether sexual misconduct occurred, and decide on disciplinary measures.

### **Disciplinary Measures**

If misconduct is found, the institution may impose:

- Verbal or written warnings
- Suspension of an employee or student
- Expulsion of a student
- Termination of employment (mandatory for serious employee misconduct)
- Restrictions on access to premises or services
- Referral to law enforcement where applicable

For employees terminated due to sexual misconduct, re-employment at the institution is strictly prohibited.

All information related to complaints and reports will remain confidential except where:

- There is an imminent risk of self-harm or harm to others.
- Legal reporting obligations apply.
- Procedural fairness requires disclosure.
