FORMAL COMPLAINT PROCESS

1. Formal complaints must be submitted in writing to the Campus Director or designate using the Institution's complaint form or another approved written format.
2. The complaint should include a description of the concern, relevant dates, individuals involved, supporting documentation, and the resolution sought.

4. The Campus Director or designate will conduct or coordinate an impartial review, which may include interviews, review of documentation, and consultation with relevant parties.
5. Where the individual responsible for reviewing a complaint has an actual or perceived conflict of interest, the complaint will be assigned to another appropriate decision-maker.
6. A written decision outlining the findings, reasons for the decision, and any proposed resolution will normally be issued within fifteen (15) business days of receipt of the complaint. Where additional information or consultation is required, the student will be advised of the status of the review. **In all cases, the Institution will make every reasonable effort to complete the dispute resolution process, including any appeal, within thirty (30) calendar days of receipt of the complaint.**

APPEAL PROCESS

If the student is dissatisfied with the decision, they may submit a written appeal to the Senior Educational Administrator (SEA) or designate within five (5) business days of receiving the decision. Where the SEA participated in the original decision, the appeal will be assigned to Executive Leadership or designate. A final written decision will normally be issued within five (5) business days.

The decision issued following the appeal is final under the Institution's internal dispute resolution process.

EXTERNAL COMPLAINT PROCESS

Students who remain dissatisfied after exhausting the Institution's internal dispute resolution process may submit a complaint to PTIRU regarding matters within PTIRU's jurisdiction and within the applicable timelines established by PTIRU.
